## LOCAL MATTERS.

Fun rises tomorrow at 4:43 a. m. and sets 7:36 p. m. High water at 11:00 a. m. and 11:24 p. m.

**WEATHER PROBABILITIES.**—For this section, fair and warmer tonight. Thursday showers with rising temperature; southwest winds, ice-casting.

**WILL ENFORCE THE LAW.**—Mayor Simpson this morning after the adjournment of the Police Court called the attention of the officers to the fact that the law recently passed by the City Council making it unlawful to place ash barrels, boxes and other receptacles in the streets was not being enforced, and that should the policemen be derelict in performing their duty in the matter they would be held responsible. He called their attention to the resolution introduced in the Common Council last night by Mr. Usher regarding the alleged non observance of the law and enjoined upon them their duty to see to it that the provisions are carried out. Lieutenant Smith with several officers made a close inspection of the city and reported that he never saw the streets and alleys more completely clear of ash barrels, boxes and other receptacles. In what are known as blind alleys some ash barrels were found. This, however, is allowable, but in all open alleys and streets no ash barrels are to be seen.

**NOT REMOVED.**—Mr. E. E. Dock, who lives on Baconburg road, in northeast Washington, and who was supposed to have been removed last Saturday evening near Four Mile Run, says that no such thing occurred. The circumstances, as related by him, are that he and a friend went to Four Mile Run Saturday afternoon, and that while there they were caught in a rain. In order to save his coat, Mr. Dock took it off and put it under his arm. He supposed that in running to get out of the rain he first dropped his bank book and then his coat, both of which were afterwards found by Mr. James Galloway. His watch was also lost, but he has no recollection of how or where he dropped it.

**DEATH OF A MINISTER.**—Rev. William A. McAttee, D. D., died at Danville, Pa., June 1st, from the effects of a surgical operation. He was born at Smithsburg, Md., June 25, 1838, and received his education at Princeton, where he graduated in 1859, and was for four years a tutor there. He was pastor of the First Presbyterian Church of this city from 1863 to 1875 and afterwards pastor of churches in Harrisburg, Pa., Chicago, Madison, Wis., and Danville, Pa. Dr. McAttee was a man of fine presence, accurate scholarship, mental force and independent mind. He was a strong, vigorous and ripe thinker, and a preacher of more than usual power. During his residence in Alexandria he made many friends and acquaintances.

**SOLDIER SHOT.**—Several soldiers from Fort Myer attended a dance at George's saloon, near the Aqueduct Bridge, last night. Trouble occurred between the soldiers and some of the other attendants which resulted in the soldiers getting worried, and the county officers having arrived on the scene the soldiers started to retreat. The crowd which had gathered started with the constables to pursue the fugitives, and shots were fired and bricks thrown. Three of the soldiers were struck on their heads and seriously injured. One of the latter, in addition to having his head badly cut, was shot in the back and dangerously wounded. He was picked up by Mr. Robert Cline, formerly of this city, and others and conveyed to the fort.

**DEATH OF YOUNG RAMEY.**—As had been feared, Leslie, the twelve-year-old son of Mr. Horace B. Ramey, died at the Alexandria Hospital at 6 o'clock yesterday evening from typhus, which followed the suppurating of his right arm. His condition grew critical Monday night and there was every indication that the boy's death was a matter of a short time. Yesterday afternoon he began to sink and as the day waned it was seen that his hours were numbered. He lingered until six o'clock when his death followed. The parents of the unfortunate child have the sincere sympathy of their many friends and acquaintances in their affliction.

**MARRIAGES.**—The marriage of Miss Mary Eleanor Graves, daughter of Mr. and Mrs. W. P. Graves, to Mr. Fred M. McGraw, formerly of Courtland, N. Y., but now of Richmond, will occur at 7:30 o'clock this evening at the residence of the parents of the bride-elect, 623 south Fairfax street. A reception will be held from 8 until 11 p. m.

The marriage of Miss Bernice E. Zabeth Angelo, daughter of Mr. and Mrs. Frank M. Angelo, of this city, to Mr. Joseph Wilmer Nightingale, will take place at the residence of the parents of the bride-elect, 301 north Washington street, at 8 o'clock tonight.

**DEATH OF A FORMER RESIDENT.**—Mr. Milton Y. Partlow, a former resident of this city, who was paralyzed at his home, near Harrisonburg, on Sunday last, died yesterday evening. Mr. Partlow was about sixty-five years of age, and is survived by a family of grown children. He was at one time engaged in business in this city having been a member of the firm of Hill, Brown & Partlow. Their place of business was at the southwest corner of Prince and Union streets.

**DEATH OF MRS. HAMILTON.**—Mrs. Mary A. Hamilton, widow of the late George W. Hamilton, died shortly after 6 o'clock yesterday evening at the home of her daughter, Mrs. Charles Mander, 304 Duke street, after a comparatively brief illness. The deceased was the mother of Mrs. Charles W. Mander, Mrs. E. Lee Field, Mrs. John Corcoran and Mr. Frank M. Hamilton. She was formerly a resident of Fredericksburg, but had lived in this city for a number of years.

**NEARING COMPLETION.**—The new pile driving and drawing machine, which is building at this place for the Richmond, Fredericksburg and Potomac Railroad Company, is now rapidly nearing completion, and the machinery which will operate the driving weight is now being put in position. As soon as this driver is completed it will be added to those now employed on the new Long bridge.

For biliousness use Chamberlain's Stomach & Liver Tablets. They cleanse the stomach, regulate the liver and bowels, effecting a quick and permanent cure. For sale by Richard Gibson, druggist.

**PERSONAL.**—Mrs. May Evans Hort, of St. Louis, who has been on a visit to her parents, Mr. and Mrs. John Evans, in this city, has returned to her home. Mr. and Mrs. Harry Lee, of Lynchburg, are visiting relatives in this city. Mr. T. S. Yang of Shanghai, China, who was educated at the Episcopal High School near this city, has graduated in civil engineering at Lehigh University. He will leave for his native country this summer where he has been appointed assistant superintendent of a railroad being constructed from Canton to Peking.

Mr. Graham Hill, formerly of this city and now chief inspector of the Southern Bell Telephone Co., in Norfolk, was married on Monday night to Miss Susan Broughton, of that city, by Rev. J. E. Trasker.

Mrs. J. P. Agnew and family have gone to their country home near Accotink to spend the summer.

Mr. John Fahline, accompanied by his wife, is visiting his old friends in this city. He is at present assistant superintendent of the Sharon, Pa., Steel Company Works.

Among those who attended the final German at the Virginia Military Institute Monday night were Misses Lida McLaughlin and Florence Davidson of this city.

Y. R. Marshall, of Prince William county, is in the city on a visit to his sister, Mrs. Ethelbert Milburn, 402 north Columbus street. Mrs. J. C. Milburn is also a sister of Mr. Marshall.

**REPAVING OF KING STREET.**—The City Council at its meeting last night passed the necessary ordinance for repaving the necessary portion of King street from Union to the Strand with vitrified brick against abutting property owners and, as has been stated in the Gazette, it is the purpose of the contractors to begin the preliminary work of repaving King street to Fayette early next week. Some residents of Columbus and Cameron streets are anxious to have the railway track removed from those thoroughfares, but it is understood that the electric railway company are opposed to their removal, as it is intended to use the tracks of those streets more frequently than at present. It was the policy of the company to use those streets for westward bound trains after leaving King street, while trains running in the city would come down King street. The object of the company was to have a double track from Columbus to Payne street. In the event of the removal of the tracks from Columbus and Cameron streets the company will ask permission to double-track King street. Should this be granted the company would be compelled to pay for the paving of about sixteen feet of the roadway.

**POLICE COURT ITEMS.**—The docket of the Police Court this morning contained but two cases and they were of a trivial nature.

Robert Campbell, colored, had been arrested on complaint of George Hackley, also colored, for assaulting the complainant with stones. The evidence showed it was a duel with stones and that the complainant had come out second best. The Mayor fined them \$2.50 each.

Addison Brown, colored, was charged with slapping a colored girl named Lee Coleman and with threatening to use a knife on her throat. He was fined \$5.

A horse which had been taken up in the street by special Officer Garzinger was turned over to its owner.

**GAS WORKS.**—Mr. Young of the firm of Baxter and Young, contractors for the rebuilding of the city gas works, was here today examining material to be used in the construction, some of which was already in place. The works have been insured to have the north wall of the rebuilt house rebuilt, and today a force of twenty-one men were at work, and are rapidly getting the building in good condition. The clerk of the gas works has ordered another car load of gas mains to be used on King street.

**GRAND JURY.**—Judge Norton has summoned a special grand jury for Friday to take up all cases on hand in the Corporation Court. The following have been summoned as jurors: Messrs. M. B. Barlow, Henry Strauss, Isaac Eichberg, Justus Schneider, H. R. Burke, Chas. B. Marshall, Wm. H. Smith, Frank S. Harper and Emanuel Goldsmith. The grand jury docket will be called Monday.
